

RANGE RULES

1. Eye and ear protection is required for everyone.
2. All firearms must be in commercial gun cases when being transported from vehicle to firing line **AND** from firing line to vehicle.
3. Firearm muzzles must always be pointed in a safe direction (i.e. down range).
4. Firearms actions must be open and unloaded except when actively shooting.
5. Keep your finger off the trigger except when shooting.
6. No cross firing is permitted (i.e. shooting at other persons targets).
7. No horseplay.
8. No alcohol or drugs allowed at the range.
9. No smoking on the firing line.
10. Anyone may call a “cease fire” if you see an unsafe act.

Think Safety First and Always!
